Anniversary of Roe v. Wade Victory

Jan. 22

On January 22, 1973, the Supreme Court issued a decision in favor of "Jane Roe" (Norma McCorvey), granting women the constitutional right to choose whether or not to have an abortion. Since the Supreme Court's overturning of Roe v. Wade, women in many states have dealt with abortion bans.

**International Holocaust
Remembrance Day**

In remembrance of the millions of Holocaust victims, we mourn their losses and acknowledge the implications this genocide has had on the entire Jewish population. May we continue to reject antisemitism and celebrate diversity.
