### If My Ex Moves Away, What Happens to Our Children?

If your ex moves away, what happens? Child custody and visitation arrangements can be challenging when you first separate from your children's other parent. As time passes, those arrangements may need to change for various reasons... [Read More](#)

### Appellate Court Update for May 2023

**Arbitration:**

Arbitrators who disclose before appointment that they are also currently arbitrating other matters involving one of the same parties are not required to disclose the outcome of those other matters. In this case, Kaiser failed to timely diagnose Andrea Perez with cancer. Perez sued Kaiser for medical malpractice... [Read More](#)

### Celebrating LGBTQ+ Pride Month!

More than a celebration, Pride Month is a call for equality, acceptance, and visibility for all those who identify lesbian, gay, bisexual, transgender, queer or questioning, intersex, and more. Happy Pride Month to the entire LGBTQI+ community and its allies!

### June is Alzheimer's Awareness Month

Alzheimer's Awareness Month is an opportunity to educate people about the signs and symptoms of this common disease, its health impacts, and the importance of early identification, diagnosis, and treatment.

**Happy Father's Day from Evans Kingsbury LLP!**

Happy Father's Day to all the men who raised us and encouraged us to be who we are today. Wishing all fathers a joyous, loving Father's Day on Sunday, June 18!

### Remembering and Celebrating the Origins of Juneteenth!

Juneteenth is a federal holiday in the United States that commemorates the emancipation of enslaved African Americans after the Civil War. On this day, we celebrate as we recognize that there is still a long way to go to achieve racial equality.

### Summer is Near!

June 21 marks the Summer Solstice, or the first day of summer, in the Northern Hemisphere. This day is also the longest day of the year! Stay cool and UV-protected as you, your friends and family enjoy the hot summer sun!
